BENEFITS

Thank you for considering **Hidden Treasures Heaven Economic Stimulus Package** as part your community outreach. We are excited about the opportunity to partner with you and help you reach your goals of advancing the Kingdom of God and evangelizing the world. It is our vision to see the faith-based community impact the world by using the wisdom of its resources to make the world a better place. People are the true hidden treasures and through this partnership, we will invest in them and by doing so, impact the community. Each jewel is community minded and kingdom focused, as well as a beautiful expression of faith. Moreover, you also receive resources through our partnership that will maximize the return on your investment with access to additional governmental and educational resources.

Design Program

- The designs can be placed on any surface and were created to allow the ministry to use them as partner gifts or to supplement a store.
- The designs were created with the entire family in mind, featuring both youth and adult designs.
- Use the designs to organize your member Christian walk with customizable journals that keeps ministry information before their eyes.
- These designs make great partner gifts. Everything is editable.
