Who are the Hidden Treasures?

Maresh Chavda stated it best in his book “The Hidden Power of the Blood of Jesus,” when he said the field can also be interpreted as the world and Jesus is the man in the parable. **He went on to call the people God will redeem as the true inheritance.** In this interpretation, Jesus gives all that He has to buy the field. Furthermore, he explains the **price that is paid doesn’t compare to the inheritance** (see Matthew 13:44).
